Office of Science Information Service

Mr. Edward W. Proctor  
Deputy Director for Intelligence  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Mr. Proctor:

This is in response to your November 27 request for the occasional assistance of Dr. Harold Bamford in your development of an information processing system. I am happy to agree to his participation. Both of our organizations may benefit if, or he believes, your project resembles our own program of innovation in scientific and technical communication.

Sincerely yours,

  
Lee G. Burchinal  
Head
